

**The Belize Education Project
Eden S.D.A. High School Scholarship**

Congratulations on earning a Belize Education Project Scholarship to attend Eden S.D.A. High School! If you have a question about what your scholarship covers, please don't be afraid to ask!

What does your sponsor pay for when you are awarded a BEP Scholarship?

- Tuition
- Fees – class fees, exam fees, graduation fees
- Books – your books will be provided to you through Eden S.D.A. High School and when you are finished with them you must return them as part of the book lending program at Eden. Failure to do so will result in the loss of your scholarship or the withholding of your diploma.
- Uniforms – two new uniforms for First Form, one new uniform each year thereafter. When you have graduated or if you have outgrown your uniform it must be returned to Eden S.D.A. High School as part of the uniforms lending program. Failure to do so will result in the loss of your scholarship or the withholding of your diploma. Your uniforms will be measured and sewn by a seamstress as arranged by Eden High School.

The BEP Scholarship does not pay for food or transportation.

All funds are paid directly to Eden High School and dispersed accordingly. No funds will be given to students or to their family members. **You must not ask the administration of Eden High School for any funds related to your scholarship. You must also not ask your sponsor for additional funds or for other things like a computer or calculator. Doing so may result in the loss of your scholarship.**

Expectations for Retaining your Scholarship

You have been chosen for this honor because you have been identified by your teachers as an outstanding student and someone who will work hard and do well in high school. In order to maintain your scholarship you must pass all of your core classes, which are:

English

Literature

Spanish

Mathematics

Social Studies

Information Technology

If you fail one of these classes, you will be on probation for the next semester. If you fail any core class while still on probation your scholarship will be terminated. You may re-apply when you are passing all of your core classes.

If you fail two or more core classes during the same semester, your scholarship will be terminated. You may re-apply when you are passing all of your core classes.

If you are having any difficulty with passing any of your classes, you should seek extra help right away. Talk to your teachers and instructors and don't get behind!

Your registrar will forward your grade report to Belize Education Project at the end of each term.
